

**Philosophy, Politics and Economics (PPE)
Open Day
St Anne's College, Oxford
Saturday 3 May 2014**

A fantastic day of lectures and discussions designed to give Year 12 pupils a sense of what it is like to be a student of PPE at St Anne's.

Mini lectures will be given by our Tutors in Philosophy, Politics and Economics, followed by a talk on the application process, and a Q&A session with the current students.

The Open Day is free of charge and numbers are limited to four students per school, so please reserve early. St Anne's may be able to assist with transport costs of pupils on free school meals. Please contact amy.murray@st-annes.ox.ac.uk to book a place.
